The date from which the allowance is to be granted has perhaps to be specified. Whether it is to be given from the 12th Nov/19 - the date of the G. O. Sanctioning the allowance in the case of the Bangalore & Mysore districts is a point for consideration. The Senior Surgeon's letter does not suggest the date from which the allowance recommended by him is to be granted.

Subject:—

Grant of local allowance of Rs.50/- per mensem each to the District Medical Officers of Kolar and Tumkur for attending to Sanitary work in the Districts.

A *W* In their order No.G.10633-43/San.73-17-8 dated the 12th November 1919, Government directed in modification of the arrangement of placing two Districts under the charge of a District Sanitary Officer, that a separate officer be appointed for the Sanitary charge of each of the Districts except Bangalore and Mysore. Owing to the paucity of qualified men, however, full time District Health Officers have so far been appointed only for the 4 Districts of Hassan, Shimoga, Kadur and Chitaldrug. In Bangalore and Mysore Districts the District Medical Officers are ex-officio District Health Officers and are given a local allowance of Rs.50/- each per mensem, for the additional work. In the Districts of Kolar and Tumkur also, the District Medical Officers continue to be District Health Officers as well. The Senior Surgeon therefore ^x recommends that, like the District Medical Officers of Bangalore and Mysore they should also be granted a local allowance for this additional work.

23 The Financial Secretary has no objection to the proposal.

24 I am of opinion, and the other Members of Council and the Dewan agree, that an allowance of Rs.50/- each, per mensem, may be sanctioned to the District Medical Officers of Kolar and Tumkur for attending to sanitary work in their Districts.

25 The above recommendation may be graciously sanctioned.

To

The Chief Secretary to the Government of

H. H. the Maharaja of Mysore,

Bangalore.

Sir,

A

Adverting to G. O. No. G. 10633-43-San. 73-17-8, dated 12th November ~~1920~~ 1919. Government considered that a single district was large enough for one ~~single~~ Sanitary Officer to efficiently look after the sanitary needs of the district, and modified their previous order of 1st March 1919, by sanctioning a separate District Sanitary Officer for each of the districts of Kolar, Tumkur, ~~Hassan~~, Shimoga, Kadur and Chitaldrug. The Medical Officers of the Bangalore and Mysore Districts were made ex-officio Sanitary officers of those districts and a ~~local~~ local allowance of Rs. 20 was sanctioned to each of them.

4?

Separate Sanitary Officers have, however, been so far posted only to the three districts of Hassan, Shimoga, Kadur ~~xx~~ and Chitaldrug. The District Medical Officers of Kolar and Tumkur continue to be ex-officio Sanitary Officers of the district. It seems to me but reasonable that these officers ought to be given a local allowance for holding the Sanitary Charge, like the District Medical and Sanitary Officers of the Bangalore and Mysore Districts, ~~xxxx~~ ^{so long as} they hold such charge. I request the favor of early orders in the matter.

I have the honor to be, Sir
Your most obedient servant

Senior Surgeon.
